

## EDUCATION

---

### Vanderbilt University

Ph.D. in Biostatistics, GPA: 4.00/4.00

Nashville, TN

Expected May 2029

### Wake Forest University

M.S. in Statistics, GPA: 4.00/4.00

Graduate Certificate in Data Science, GPA: 4.00/4.00

Thesis Advisor: Sarah Lotspeich, Ph.D.

- Thesis: Adjusting for covariate misclassification to quantify the relationship between diabetes and local access to healthy food

Winston-Salem, NC

May 2024

### University of Scranton

B.S. in Applied Mathematics and B.A. in Philosophy, *Summa Cum Laude*, GPA: 3.94/4.00

Minors in Computer Science and Finance, Concentration in Data Science

Honors Program, Special Jesuit Liberal Arts Honors Program

Thesis Advisor: Murong Xu, Ph.D.

- Thesis: Music Feature Classification: Using Techniques of Machine Learning to Detect Genre
- Available from <https://digitalservices.scranton.edu/digital/collection/p15111coll1/id/1340/rec/68>

Scranton, PA

May 2022

### St. Anthony's High School

Advanced Regents Diploma

South Huntington, NY

June 2018

## RESEARCH AND WORK EXPERIENCE

---

### 10. Research Assistant

*Vanderbilt University Medical Center, Department of Biostatistics*

Mentor: Rameela Raman, Ph.D.

Nashville, TN

July 2024 – Present

### 9. Lead Teaching Assistant

*Wake Forest University, Departments of Statistical Sciences and Mathematics*

Mentor: Lynne Yengulalp, Ph.D.

Winston-Salem, NC

Mar 2023 – May 2024

- Managed scheduling and logistics for over 70 teaching assistants and tutors
- Developed resources for pedagogical training and curriculum support

### 8. Research Assistant

*Wake Forest University, Department of Statistical Sciences*

Mentor: Sarah Lotspeich, Ph.D.

Winston-Salem, NC

Jan 2023 – May 2024

- Developed methods for error-prone data
- Contributed to ongoing lab projects and manuscripts

### 7. Data Science Intern

*Hanesbrands*

Winston-Salem, NC

June 2023 – August 2023

- Designed and implemented a scalable predictive sales model prototype
- Identified a multi-million dollar sales growth opportunity for a major account

## HONORS AND AWARDS

---

- |   |                  |
|---|------------------|
| <p>16. <b>SPAIG Award, American Statistical Association</b><br/> Given annually to recognize outstanding collaborations among academe, industry, and government organizations while recognizing key individual contributors</p> | <p>2025</p>      |
| <p>15. <b>Highly Commended Article, Significance Magazine</b><br/> Designation from the annual Statistical Excellence Award for Early-Career Writing Competition</p>  | <p>2024</p>      |
| <p>14. <b>Russell G. Hamilton Scholar, Vanderbilt University</b></p>  | <p>2024-2029</p> |
| <p>13. <b>Provost's Graduate Fellowship, Vanderbilt University</b></p>  | <p>2024-2029</p> |
| <p>12. <b>Graduate Student Award for Outstanding Scholarship, Wake Forest University</b><br/> Awarded by the Department of Statistical Sciences for scholarship, ingenuity, and dedication</p>                                  | <p>2024</p>      |
| <p>11. <b>Travel Award, Women in Statistics and Data Science Conference</b><br/> Merit-based award for student or early professional conference attendees</p>   | <p>2023</p>      |
| <p>10. <b>Gertrude M Cox Scholarship, American Statistical Association</b><br/> Awarded for dedication to statistical inquiry, passion for mentoring, and extraordinary commitment to scholarly excellence</p>                  | <p>2023</p>      |

9. <b>Teaching Assistantship, Wake Forest University</b> Full tuition grant and teaching stipend	2022 – 2024
8. <b>Provost Merit Scholarship, Wake Forest University</b> Merit-based graduate student award	2022 – 2024
7. <b>Outstanding Poster, Mathematical Association of America MathFest</b> Awarded for excellent project presentation and poster design	2022
6. <b>Excellence in Applied Mathematics Award, University of Scranton</b> Merit-based department award	2022
5. <b>Humanities Fellow, University of Scranton Slattery Center</b> Undergraduate humanities research grant	2021 – 2022
4. <b>Presidential Scholarship, University of Scranton</b> Merit-based full-tuition scholarship awarded for exemplary academic achievement	2018 – 2022
3. <b>Dean's List, University of Scranton</b> Distinction granted to full-time students with a GPA above 3.50	2018 – 2022
2. <b>Central Convergence REU Scholar</b> Undergraduate research grant	2021
1. <b>National Hispanic Scholar, Hispanic Scholarship Fund</b> Merit-based distinction and scholarship awarded to university students of Hispanic heritage	2018 – 2020

## PEER-REVIEWED PUBLICATIONS

---

1. S.C. Lotspeich, **A.E. Mullan**, L. D'Agostino McGowan, and S.A. Hepler, "Combining straight-line and map-based distances to investigate the connection between proximity to healthy foods and disease," *Statistics in Medicine*, vol. 44, no. 7, pp. e70054, 2025. doi:10.1002/sim.70054.

## SUBMITTED MANUSCRIPTS

---

1. **A.E. Mullan**, P.D.A. Nguyen, S.C. Lotspeich, "Linking Potentially Misclassified Healthy Food Access to Diabetes Prevalence," *Statistics and Public Policy* (under review), 2025+.

## PRESENTATIONS

---

- |   |                                |
|---|--------------------------------|
| 15. <b>Guest Lecture:</b> Statistics in Your Own Backyard<br><i>Day of Discovery, Vanderbilt University</i>   | Nashville, TN<br>May 2025      |
| 14. <b>Contributed Poster:</b> Visualizing Cost Effectiveness Analysis with Second-Generation Acceptability Curves - <i>ENAR Spring Meeting</i>   | New Orleans, LA<br>March 2025  |
| 13. <b>Guest Lecture:</b> Statistical Ideas You Can Never Unsee<br><i>PSYCH1130, Cornell University</i>   | Ithaca, NY<br>March 2025       |
| 12. <b>Invited Talk:</b> Misclassification Challenges in Quantifying the Relationship Between Diabetes and Local Access to Healthy Food<br><i>Department of Mathematics, University of Scranton</i> | Scranton, PA<br>March 2025     |
| 11. <b>Guest Lecture:</b> From Idea to Conclusion: A Statistical Perspective<br><i>School for Science and Mathematics at Vanderbilt</i>   | Nashville, TN<br>February 2025 |

- |  |                                 |
|--|---------------------------------|
| 10. <b>Contributed Poster:</b> Adjusting for covariate misclassification to quantify the relationship between diabetes and local access to healthy food<br><i>Women in Statistics and Data Science Conference</i>  | Reston, VA<br>October 2024      |
| 9. <b>Invited Talk:</b> For Better or For Worse: The First Kiss Effect on Television Ratings<br><i>International Day of Women in Statistics and Data Science</i>   | Virtual<br>October 2024         |
| 8. <b>Guest Lecture:</b> Stats can be fun, I swear!<br><i>PSYCH1130, Cornell University</i>  | Virtual<br>September 2024       |
| 7. <b>Contributed Talk:</b> Adjusting for Measurement Error to Quantify the Relationship Between Diabetes and Local Access to Healthy Food - <i>ENAR Spring Meeting</i>  | Baltimore, MD<br>March 2024     |
| 6. <b>Contributed Poster:</b> Rate This Interruption: Using Interrupted Time Series Techniques to Analyze Popular Television Couples and Episode Ratings<br><i>Women in Statistics and Data Science Conference</i> | Bellevue, WA<br>October 2023    |
| 5. <b>Contributed Poster:</b> Music Feature Classification: Using Techniques of Machine Learning to Detect Genre - <i>Mathematical Association of America MathFest Conference</i>                                  | Philadelphia, PA<br>August 2022 |
| 4. <b>Contributed Poster:</b> Deal or No Deal: Modeling a Game Show with Utility Theory and Machine Learning - <i>Joint Mathematics Meetings</i>   | Virtual<br>April 2022           |
| 3. <b>Contributed Poster:</b> Deal or No Deal: Modeling a Game Show with Utility Theory and Machine Learning - <i>SACNAS NDiSTEM Conference</i>  | Virtual<br>August 2021          |
| 2. <b>Featured Talk:</b> Deal or No Deal: Modeling a Game Show with Utility Theory and Machine Learning - <i>Mount Stuart Mathematics Seminar Series</i>   | Virtual<br>August 2021          |
| 1. <b>Featured Talk:</b> A Puck Above the Rest: The Effects of New Data on 2020 NHL Draft Decisions<br><i>Carnegie Mellon Sports Analytics Conference</i>  | Virtual<br>October 2020         |

## PANEL DISCUSSIONS

---

- |  |                            |
|--|----------------------------|
| 3. <b>Panelist:</b> Graduate Admissions Advice<br><i>Electronic Undergraduate Student Research Conference</i>  | Virtual<br>November 2024   |
| 2. <b>Moderator:</b> Statistical Storytelling: Insights Into Effective Presentation Strategies<br><i>Women in Statistics and Data Science Conference</i>                 | Reston, VA<br>October 2024 |
| 1. <b>Moderator:</b> The Art of the Invite: Crafting Successful Invited Session Proposals<br><i>International Day of Women in Statistics and Data Science Conference</i> | Virtual<br>October 2024    |

## SOFTWARE

---

4. **Author:** Stats can be fun, I swear! - Shiny App  
<https://ashley-mullan.shinyapps.io/lecture-app>
3. **Author:** visegen - R Package  
<https://github.com/ashleymullan/visegen>
2. **Contributor:** POSSUM - R Package  
<https://github.com/sarahlotspeich/possum>
1. **Contributor:** ThemePark - R Package  
<https://github.com/MatthewBJane/ThemePark>

## TEACHING

---

3. **Wake Forest University** Winston-Salem, NC  
Teaching Assistant: STA111 - Elementary Probability and Statistics Aug 2022 – May 2023  
Supervising Professor: Leo Cella, Ph.D.
  - Supported mathematics and statistics undergraduate students in introductory coursework
2. **University of Scranton** Scranton, PA  
Teaching Assistant: INTD 290 - Leadership and Civic Responsibility May 2020 – Aug 2020  
Supervising Professors: Teresa Grettano, Ph.D. and Stephen Whittaker, Ph.D.
  - Assisted with curriculum revision, facilitated weekly small group discussion, and oversaw student presentations
1. **University of Scranton** Scranton, PA  
Sectional Assistant: Performance Music Aug 2018 – May 2022  
Supervising Instructor: Cheryl Boga
  - Assisted with group strings lesson facilitation and corrected playing technique
  - Instructed small groups of choir members in aspects of selected choral literature

## PROFESSIONAL SERVICE AND OUTREACH

---

### Officer Positions and Committees

- Communications Officer/First Year Liaison, Biostatistics Graduate Student Association, Vanderbilt University 2025–
- Founding Member, Mentorship Committee, ENAR 2025–
- Member, Program Committee, Caucus for Women in Statistics 2025–
- Steering Committee/Social Media Co-Chair, Council for Emerging and New Statisticians (CENS), ENAR 2024–
- Chair/Member, Social Media Committee, ENAR 2023–
- Member, Graduate Honor Council, Wake Forest University 2022–2024
- President, Pi Mu Epsilon Honor Society, University of Scranton 2021–2022
- Secretary, Phi Sigma Tau Honor Society, University of Scranton 2021–2022
- Secretary, Upsilon Pi Epsilon Honor Society, University of Scranton 2021–2022
- President, Mathematics Club, University of Scranton 2018–2022
- Vice President, HackScranton University of Scranton 2019–2021

### Volunteer Outreach

- Judge, Undergraduate Statistics Project Competition 2025
- Mentor, Flash Mentoring, Caucus for Women in Statistics 2024
- Pen Pal, Letters to a Pre-Scientist 2024–2025
- Activity Lead, Florence Nightingale Day, Wake Forest University 2024
- Proctor, MathCounts, Wake Forest University 2023
- Dean's Ambassador, College of Arts and Sciences, University of Scranton 2021–2022
- Admission Ambassador, University of Scranton 2019–2022

### Conference Activities

- Invited Session Organizer (Frequency)

- \* *ENAR Spring Meeting* (1), *Women in Statistics and Data Science* (1), *International Day of Women in Statistics and Data Science* (2)
- Session Chair (Frequency)
  - \* *Joint Statistical Meetings* (1), *International Day of Women in Statistics and Data Science* (2), *ENAR Spring Meeting* (1), *Women in Statistics and Data Science* (2)

## SKILLS

---

- **Programming:** R (advanced), SQL (intermediate), Python (intermediate), LaTeX (intermediate), GitHub (intermediate), Shiny (intermediate), Java (intermediate), Cluster Computing (novice), Julia (novice), Power BI (novice), HTML (novice)
- **Applications:** Microsoft Suite (advanced), Google Suite (advanced), Bloomberg Terminal (novice)
- **Languages:** English (native), Spanish (intermediate written and oral proficiency)
